Dear Members and Friends,

As the New Year begins, we hope everyone had a safe and peaceful holiday season. Thank you again to all of our members who made last year such a successful one – we are so fortunate to have such a great group of people who share their valuable time and efforts to make our club such an enjoyable one.

Most of you met two of our new board members, Tomeka Pierce and Lisa Anderson at the Annual Fondue. But since then, we are excited to say that Marcus Zollinger has graciously volunteered to join our dynamic crew! We are all very excited about this upcoming year – along with some of our traditional events from the past, we have added a few new events this year to keep things exciting. We hope all of you will enjoy them. The concert in February is sure to entice our music lovers and supporters of the fine arts and the Buurezmorge should bring a little “Swiss” nostalgia to many of our members.

A few of our events this year will be limited to a certain number of people, so please plan ahead and make sure to reply early when we send out our event letters. They are all sure to be great events!! Also, we have again planned some “Ausflug” type events, for those who enjoy smaller gatherings! Information will be sent out as they are planned...

Our membership dues will remain the same. Please send in your membership forms as soon as possible so that the Membership Directory information can be received. These will be sent out only once, either with the March or April mailing.

We wish each and every one of you good health, peace, happiness and lots of laughter in the coming year!

Daniela, Mark, Kathy, Nicky, Lisa, Tomeka and Marcus
